COSTUME REFERENCE LIBRARY

Pre Vizsla

Model **BH-6065**, Photo by **Ruud Wolters**

Description: Pre Vizsla
Prefix: BH
Detachment: Bounty Hunters Guild
Context: Star Wars The Clone Wars Season 2
Pre Vizsla was the governor of the Mandalorian moon Concordia. He was also the leader of the Deathwatch, a faction of Mandalorians dedicated to returning their people to their warrior heritage. Vizsla allied with the Separatists to aid in his quest to overthrow the pacifist Duchess Satine.

The 501st approval requirements are listed in black.

The Bounty Hunters' Guild defines two additional, optional levels of costuming excellence. In the page below, requirements for Level 1 "Notorious" are listed in blue. Level 2 "Infamous" requirements are in red.

Please visit the BHG web site for a full description of these standards.

For 501st membership only the requirements in black need to be met.

This Visual Guide has been reviewed by the detachment staff and the LMO team and is certified for use as a minimum approval guideline for GMLs. GMLs are free to approve this costume type.

- Any uncertainties or questionable aspects of the submitted costume should be brought to the appropriate DL/GML peer review section of the legion forum.

Required Costume Components

The following costume components are present and appear as described below.

Helmet
For 501st approval:

- Animated style helmet required.
- Ear caps are symmetrical, with no range finder.
- Helmet is dark grey / metallic graphite with a lighter grey visor area, blue cheek indents, a blue rear with a grey key slot area.
- Helmet has an off white / cream colored trident emblem painted on the forehead.

Cape
For 501st approval:

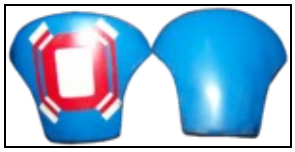
- Light blue in color with grey stripes and a dark blue Deathwatch emblem.
- Worn over right shoulder.
- Attached via a black strap worn around the neck.

Flight Suit
For 501st approval:

- Green-grey to charcoal in color.
- Blue stripes 1" - 1.25" wide run down the outside of the legs, and around the top and bottom of the knee armor.
- Has traditional Mandalorian style double sleeves.
- Neck seal is built into the suit.
- No pockets are visible.

Vest
For 501st approval:

- Black leather or leather like vest.
- Shoulders flare outward like wings.



Shoulder Armor
For 501st approval:

- Armor has dimension giving the appearance of thickness and depth.
- Shoulder armor is blue to match the collar.
- Shoulder armor has red/off white details as shown in visual reference.
- Shoulder armor flares out off the shoulders to present a wider than normal silhouette.

Gauntlets
For 501st approval:

- Gauntlet color is dark grey / metallic graphite to match helmet and armor.
- Gauntlets taper toward the wrist.
- Gauntlets have a seam on the inside of the arm with indents on either side of the seam as shown.
- Gauntlets have a stepped detail on the top center as shown.
- Right gauntlet has red markings as shown.

Gloves
For 501st approval:

- Black over the wrist gloves made of leather, nylon, or other low pile fabrics.
- Gloves cover any exposed skin.
- Gloves do not show any labels or logos when the armor is worn.

Hand Plates
For 501st approval:

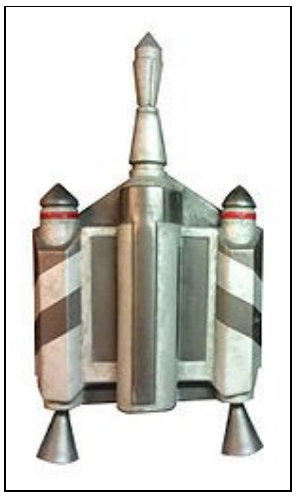
- Armor has dimension giving the appearance of thickness and depth.
- Symmetrical, tombstone shaped handplates.
- Color is dark grey / metallic graphite to match helmet and armor.

Chest Armor
For 501st approval:

- Consists of collar armor, left and right breast plates, a center diamond and an abdominal plate.
- Armor is made of a solid material such as fiberglass, styrene or sintra.
- Armor has dimension giving the appearance of thickness and depth.
- Collar armor is blue with a 1.25" dark grey / metallic graphite line down the center.
- Armor Color is dark grey / metallic graphite to match helmet.
- Left breast plate has two indented horizontal bars.
    - The top bar is colored red.
    - The bottom bar is colored dark blue.
- Center diamond plate between breast plates has a raised vertical rectangle as shown in visual references.
    - The diamond is blue to match the collar.
    - The raised rectangle is dark grey / metallic graphite to match the armor.
- Armor attaches securely to the front of the vest.

Back Armor
For 501st approval:

- Armor has dimension giving the appearance of thickness and depth.
- Color is blue to match the collar.
- Has a 1.25" dark grey/metallic graphite stripe down the center top.
- Collar and backplate do not overlap.



Jetpack, TV series style
For 501st approval:

- Either the TV series or alternate paint scheme jetpack is required for approval.
- Animated style sculpt required
- Paint scheme as shown.

Jetpack, Alternate Paint
For 501st approval:

- Either the TV series or alternate paint scheme jetpack is required for approval.
- The alternate paint scheme is used on all Pre Vizsla merchandise: Action figure, Gentle Giant maquette, inflatable jetpack, Galactic Heroes etc...
- Animated style sculpt required
- Paint scheme as shown.

Girth Belt
For 501st approval:

- Brown leather or leather like material.
- 6-8" tall depending on the height of the wearer.

Belt
For 501st approval:

- Segmented belt worn outside of the girth belt.
- Plate size/positioning matches visual reference.
- Color is dark grey / metallic graphite to match helmet and armor.
- Blue stripes 1" - 1.25" wide on the sides, lined up with stripes on the flight suit.

Codpiece
For 501st approval:

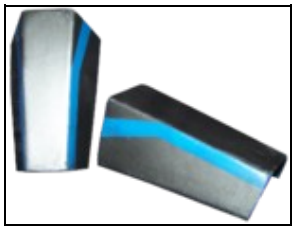
- Armor has dimension giving the appearance of thickness and depth.
- Triangular cod piece with rounded bottom edge.
- Color is dark grey / metallic graphite to match helmet and armor.

Thigh Armor & Holsters
For 501st approval:

- Armor has dimension giving the appearance of thickness and depth.
- Wraps around outer thigh.
- Holsters are integrated with the armor.
- Armor has no visible straps / attachment.
- Blue stripe 1" - 1.25" runs down the outer thigh, to the front of the holster, lining up with stripes on the flight suit.

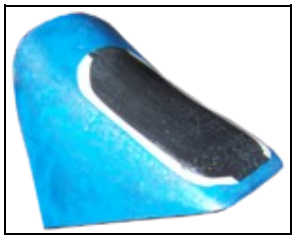
Knee Armor
For 501st approval:

- Armor has dimension giving the appearance of thickness and depth.
- Main color is dark grey / metallic graphite to match helmet and armor.
- Outer tabs on the armor are blue to match the collar.
- Armor attaches securely to the front of the knees, over the flightsuit, with no straps or visible means of attachment.



Lower Leg Armor
For 501st approval:

- Armor has dimension giving the appearance of thickness and depth.
- Color is dark grey / metallic graphite to match helmet and armor.
- Each shin has a blue line 0.75" wide running along the outside of the center panel. Approx. 2" - 2.5" from the top of the shin, the blue stripes angle out from the center as they move toward the top edge.



Boot Caps (Foot Armor)
For 501st approval:

- Armor has dimension giving the appearance of thickness and depth.
- Color is blue to match the collar armor, with an oval center detail in dark grey / metallic graphite to match the armor, partially outlined in off white to match the trident pattern on the helmet.
- Boot armor covers the top of the foot, hiding laces if present.
- Boot armor connects with no visible means of attachment.

Boots
For 501st approval:

- Black boots with silver soles and toe covering.
- Palladium boots Pampa Hi in black canvas are an example of an acceptable style (with the soles painted silver).
