Asajj Ventress: Sash Belt

Model **SL-7313**, Photo by **Shelby Fillman**

Description: Asajj Ventress: Sash Belt
Prefix: SL
Detachment: Flagship Eclipse Detachment
Context: Star Wars Expanded Universe
Asajj Ventress is a Dark Jedi apprentice of Count Dooku (Darth Tyranus). Despite being the apprentice of a Sith Lord, Asajj was never trained in the Sith arts. Asajj Ventress is responsible for Anakin's facial scarring in Episode 3.

This CRL entry has been reviewed by the detachment staff and the LMO team. Costumes of this type must be submitted to the LMO team via the GML forum at 501st.com for approval.

Required Costume Components

The following costume components must be present and appear as described below for approval .

Bald Head
For 501st approval:

- The costumer's hair is shaved or covered with a tight-fitting bald cap.
- If a bald cap is used, the cap is tinted to match the color of the costumer's face, and the edges are blended to make them as inconspicuous as possible.

Makeup
For 501st approval:

- The costumer's head, neck, and hands are very pale, with a grayish or white tone.
- Black triangular "tattoo" designs are located on the sides of the head.
- There are four triangles pointing downward over the ears, and two triangles pointing forward in front of the ears.
- Black makeup may be used to encircle the eyes.
- The lipstick is dark gray or black.

Collar
For 501st approval:

- The collar is made of black leather or leatherette material.
- A pattern of horizontal lines encircle the shoulders and neck.
- The neck of the collar is high and form-fitting.
- The outer edge of the collar reaches midway across the shoulders.
- The edges of the collar are connected securely against the shirt, and do not hang loosely.

Shirt
For 501st approval:

- The form-fitting shirt has long sleeves and is made of an off-white or pale gray matte stretch material.
- Slightly darker gray stripes may be included.
- Princess seams divide the front and back of the shirt into three sections each.
- Horizontal line patterns are designed into the shirt. These stripes may be present on just the front and back center panels and the arms, or they may be used over the entire shirt.
- Gray piping may be used to accentuate the princess seams and horizontal bands on the front of the shirt.

Forearm Wraps
For 501st approval:

- The forearm wraps are made of the same material as the collar.
- The wraps extend from the wrists to just below the elbows.

Sash Belt
For 501st approval:

- The belt has a diamond pattern that is off-white and gray or blue-gray in color.
- The belt is wide in the back, and tapers to a narrow width in the front.
- Two sash pieces hang from the front of the belt.
- Both layers of the sash include the diamond pattern, and both are floor length.
- The front buckle is a large round medallion. It is metallic silver, and includes a decorative pattern.
- A pair of black leather belts with silver accents may be draped to hang over the upper thighs on each side. These belts are attached to the patterned belt at the center front and center back.

Skirt
For 501st approval:

- The wide, flowing skirt is approximately ankle length.
- The skirt is very dark gray or black, and it is designed in two sections.
- The back section covers the back and sides.
- The front section is narrow, but still very full.
- The front of the skirt may open over the front of each thigh, revealing the leggings beneath.

Leggings
For 501st approval:

- The form-fitting leggings are the same off-white or pale gray as the shirt.

Boots
For 501st approval:

- The boots are black, and may be knee high or thigh high.

Optional Accessories

Items below are optional costume accessories. These items are not required for approval, but if present must meet the guidelines below.

Gloves
For 501st approval:

- Gloves the same color as the forearm wraps may be worn.
- If worn, the top edges of the gloves are hidden beneath the forearm wraps.

Lightsabers
For 501st approval:

- The twin hilts resemble the established curved design for Asajj Ventress.
- The sabers may be attached together into a double saber design, or they may be worn and carried separately.
- If the lightsabers have blades, the blades are red in color.
