Juno Eclipse, Rogue Shadow

Model **Juno Eclipse, Rogue Shadow**, Photo by **Unknown**

Description: Juno Eclipse, Rogue Shadow
Prefix: ID
Detachment: Imperial Officer Corps
Context: The Force Unleashed

Having been a skilled TIE pilot who led Vader's Black Eight Squadron, the Dark Lord appointed Captain Juno Eclipse as the pilot of the vessel "Rogue Shadow", an advanced technology ship primarily designed for stealth and infiltration purposes. Although uncertain of the nature of her missions, Eclipse welcomed the opportunity to fly such a unique starship.

The 501st approval requirements are listed in black.

The Imperial Officer Corp Detachment defines additional, optional levels of costuming excellence. In the page below, items listed in blue are optional features that will improve the quality of the costume. Items listed in red are intended to further enhance the finished costume.

For 501st membership only the requirements in black need to be met.

This Visual Guide has been reviewed by the detachment staff and the LMO team and is certified for use as a minimum approval guideline for GMLs. GMLs are free to approve this costume type.

- Any uncertainties or questionable aspects of the submitted costume should be brought to the appropriate DL/GML peer review section of the legion forum.

Required Costume Components

The following costume components are present and appear as described below.
