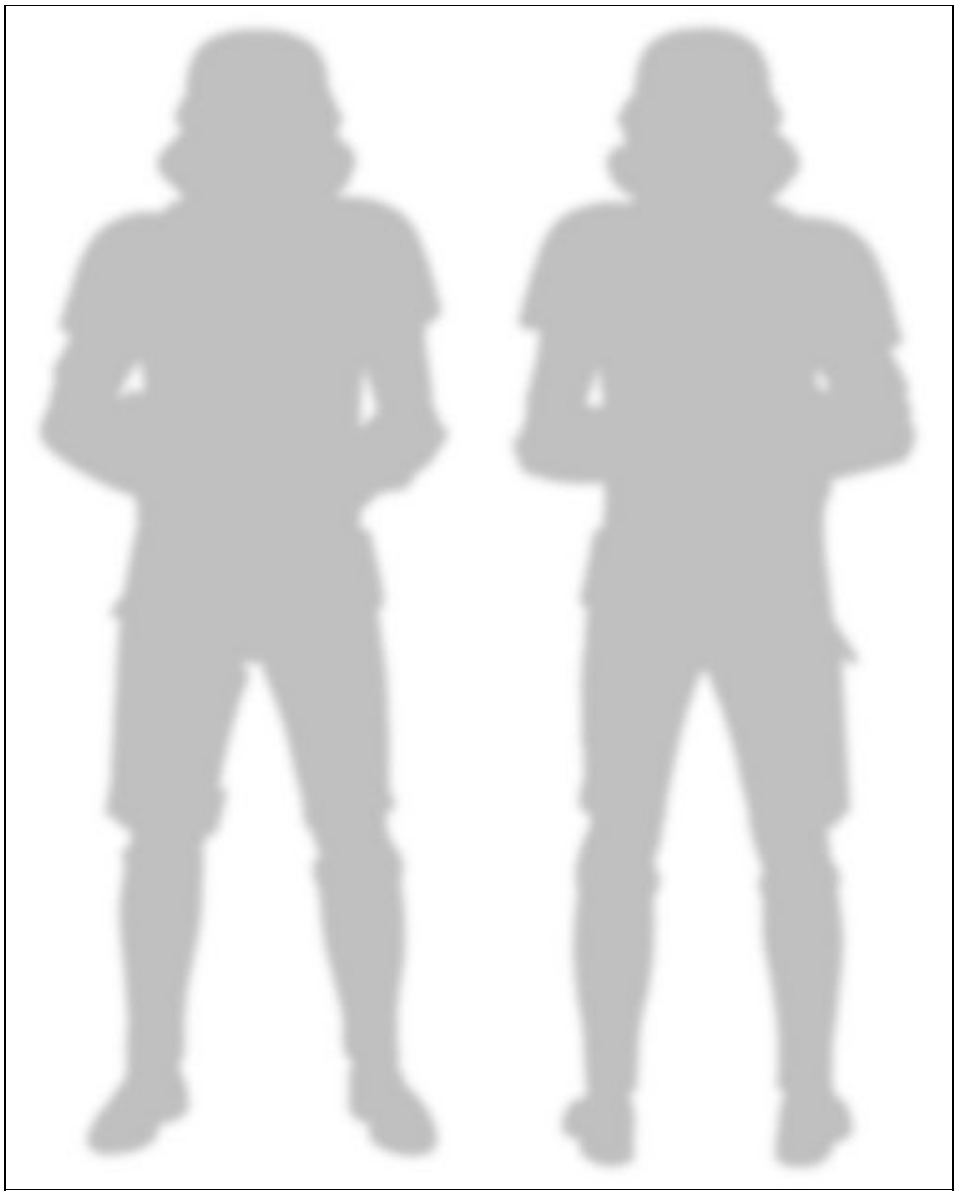
COSTUME REFERENCE LIBRARY

Crimson Armor Royal Guard, Crimson Empire



Model **none**, Photo by **none**

Description: Crimson Armor Royal Guard, Crimson Empire
Prefix: TR
Detachment: Sovereign Protectors
Context: Crimson Empire Trilogy
Carnor Jax was a Sovereign Protector and aspiring Sith Lord who made a bid for the vacant Imperial throne. An Adversary of Kir Kanos who met his untimely death in a battle on the planet of Yichnorr.

The 501st approval requirements are listed in black.

The Sovereign Protectors Detachment defines two additional, optional levels of costuming excellence: Protector and: Sentential . In the page below, requirements for Protector are listed in blue. Sentinel requirements are in red. Please visit the Sovereign Protectors web site for a full description of these

standards.

For 501st membership only the requirements in black need to be met.

This CRL is a work in progress and is not yet ready to use for GML approval!

Required Costume Components

The following costume components must be present and appear as described below for approval .

Helmet
For 501st approval:

- Finished in a crimson and black gloss finish to match visual references.

The visor is fitted with a red visor that allows for maximum visibility while obscuring the wearers features.

The visor is cut lower and angled to make a center triangle. Helmet has a crest going from front to back
