Pre Vizsla

Model **BH-6065**, Photo by **Ruud Wolters**

Description: Pre Vizsla

Prefix: BH

Detachment: Bounty Hunters Guild

Context: Star Wars The Clone Wars Season 2

Pre Vizsla was the governor of the Mandalorian moon Concordia. He was also the leader of the Deathwatch, a faction of Mandalorians dedicated to returning their people to their warrior heritage. Vizsla allied with the Separatists to aid in his quest to overthrow the pacifist Duchess Satine.

The 501st approval requirements are listed in black.

The Bounty Hunters' Guild defines two additional, optional levels of costuming excellence. In the page below, requirements for Level 1 "Notorious" are listed in blue. Level 2 "Infamous" requirements are in red.

Please visit the BHG web site for a full description of these standards.

For 501st membership only the requirements in black need to be met.

This Visual Guide has been reviewed by the detachment staff and the LMO team and is certified for use as a minimum approval guideline for GMLs. GMLs are free to approve this costume type.

- Any uncertainties or questionable aspects of the submitted costume should be brought to the appropriate DL/GML peer review section of the legion forum.

Required Costume Components

The following costume components are present and appear as described below.

Helmet
For 501st approval:

- Animated style helmet required.
- Ear caps are symmetrical, with no range finder.
- Helmet is dark grey / metallic graphite with a lighter grey visor area, blue cheek indents, a blue rear with a grey key slot area.
- Helmet has an off white / cream colored trident emblem painted on the forehead.
