Admiral Daala, Olive Officer Uniform

Model ID 8693, Photo by **Beth Dolgner**

Description: Admiral Daala, Olive Officer Uniform

Prefix: ID

Detachment: Imperial Officer Corps

Context: Star Wars Expanded Universe

Daala is an aggressive commander. Considered to be remarkably charismatic, she can also be ruthless. Although often prone to great fury, Daala feels that outbursts of one's anger are unprofessional, and restrains herself to serve as an

example to her crewmen. Despite the carefully calculated facade used to inspire loyalty in her crew, Daala does have a soft side, which she displays very rarely to those she leads or fights against.

This Visual Guide has been reviewed by the detachment staff and the LMO team and is certified for use as a minimum approval guideline for GMLs. GMLs are free to approve this costume type.

- Any uncertainties or questionable aspects of the submitted costume should be brought to the appropriate DL/GML peer review section of the legion forum.

Daala's Hair

For 501st approval:

- Red hair, worn in a ponytail and secured with 3 silver or white bands.
- Ponytail is typically shown hanging over the front of her shoulder.

For level two certification (if applicable):

- Hair is styled to exactly match reference pictures in both color and shape.
- If a wig is worn, it gives the appearance of natural hair.

Tunic, Olive

For 501st approval:

- Fabric is a medium weight suiting material exactly matching the pants.
 - ◆ Gabardine style weave is most accurate.
- Tunic is double-breasted with a left over right closure on the tapered yoke.
- Yoke comes up across the shoulder to the top shoulder seam.
- The standing collar has square corners and is about 1.25" (31.8 mm) tall.
 - ◆ Collar closes snugly and includes a modesty panel behind closure.
 - ◆ Collar edges are closed with two eye hooks.
- There are code cylinder pockets on both outside panels of the jacket from about half way between the top and bottom on the arm hole.
- Sleeves are long, and without decoration, cuffs or buttons.
- Sleeves contain 2 seams.
 - ◆ One along the bottom and one along the back.
- Tunic is constructed with no top-stitching (stitches visible on the exterior surface of fabric)

For level two certification (if applicable):

- There is a dart of about 2" (50.8 mm) in the top center of the yoke.
- There is a seam running the entire circumference of the tunic, dividing it along a line hidden by the uniform belt.
- The back of the tunic has princess seams that run vertically and turn outward to intersect the arm-hole seam at the vertical center.

For level three certification (if applicable):

- Tunic is secured on the right side by snaps or buttons.
 - ◆ Not hook and loop fastener (Velcro).
- There is no top-stitching visible anywhere.
- A lining is sewn in.

Daala's Rank Bar
For 501st approval:

- See the [Imperial Rank Bar page](#) for more information.
- Worn on the left side of the tunic over the heart.
- Rank consists of colored plastic tiles mounted on metal bar.
- Each bar is 1" (25.4 mm) height.
 - ◆ Length is determined by the number of tiles.
- Rank tile dimensions are 1/2" (12.7 mm) width x 3/4" (19 mm) height and about 1/8" (3.2 mm).
- Tiles are mounted with 1/4" (6.4 mm) spaces between them.
- Rank bar exactly matches the color pattern used in the references.
 - ◆ Six blue tiles on the top bar.
 - ◆ Three red, followed by three amber, on the bottom bar.

For level two certification (if applicable):

- Rank consists of two separate strips, one atop the other, meeting together flush.

Code Cylinders
For 501st approval:

- (4) Code Cylinders are worn.
- Basic Style: Silver "chalk holder" tube with a short clip and blue top.
- Dosimeter Style: True Dosimeter with correct clip and Blue top.

For level two certification (if applicable):

- Only real or replica dosimeters are used.

Belt
For 501st approval:

- The belt is constructed from a non-textured leather or a leather-like material.
- Approximately 2" (50.8 mm) in width, up to 3" (76.2 mm) is acceptable.
- There are no loops on the belt.
- A single large snap or rivet is visible approximately 1" (25.4 mm) from the buckle.
 - ◆ The belt may be worn with the snap to the right or left of the wearer.
- The buckle is constructed from a horizontally brushed metal, or metal looking material.
- The buckle size is approximately 2 5/8" (66.7 mm) high and 4 1/8" (104.5 mm) wide with 0.5" (12.7 mm) radius rounded corners.
- Buckle is adorned with an [Imperial Code Disk](#) at the center.
- ◆ Please refer to the [Imperial Buckle](#) reference page for information on accurate and inaccurate style buckles.

For level two certification (if applicable):

- Belt is made of leather.
- Snap is worn to the left of the wearer.
- Buckle has a slight horizontal curve.

Jodphur Trousers, Olive

For 501st approval:

- Fabric is a medium weight suiting material exactly matching the tunic.
 - ◆ Gabardine style weave is most accurate.
- Flared riding breeches are canon, with semi-stiff flares to the hip/thigh area.
- Breeches are worn with boots.
- Pockets are acceptable, although are not visible with the tunic on.

Officer Boots

For 501st approval:

- Knee-high, black, lace-less, smooth non-textured, leather or leather-like material.
 - ◆ Rubber is not acceptable.
 - ◆ PVC or synthetic material is allowed as long as it gives the appearance of leather.
- There are no stretch panels, buckles, snap tabs, or decoration.
- Boots have conservative heels.
- If zippers are present, they are hidden on the inner part of the boot shaft.
 - ◆ Not visible from the front, side or back.
- The top of the boots may be flat or Spanish Style, but not Cowboy or Super Hero (pointed at the front) style.

For level two certification (if applicable):

- Boots do not have a zipper.

For level three certification (if applicable):

- Boots are made of leather.
 - ◆ Not vinyl or PVC.
- Exact replicas of English riding (dress) boots or Equestrian boots.

Optional Accessories

Items below are optional costume accessories. These items are not required for approval, but if present appear as described below.

Eye Color

For 501st approval:

- Green contact lenses.

- This style of contact lens may be worn, if desired.
 - ◆ While encouraged to complete the look of this character, the contact lens requirement will be waived for 501st acceptance, if the applicant cannot wear contact lenses for health related reasons.
 - ◆ All persons utilizing contact lenses are encouraged to first see their optometrist for a fitting.

Gloves

For 501st approval:

- Gloves are constructed of a non-textured, black leather or leather-like material.
- Enclosed fingers.
- Wrist length and fitted.
- No buckles, straps, etc.
