Description: Director of Intelligence Ysanne Isard

Prefix: ID

Detachment: Imperial Officer Corps

Context: Star Wars Expanded Universe

Ysanne Isard followed her father, Armand Isard, serving the Empire as the Director of Imperial Intelligence. Isard makes many suggestions to the Emperor about how he might rule his Empire more effectively, and is provided with whatever resources are necessary to achieve her means. Always preferring to be one step ahead of her enemies, Ysanne is ambitious, calculating, and ruthless. Possessing an unyielding lust for power, she has become talented at

engineering the political downfalls of her opponents.

The 501st approval requirements are listed in black.

The Imperial Officer Corp Detachment defines additional, optional levels of costuming excellence. In the page below, items listed in blue are optional features that will improve the quality of the costume. Items listed in red are intended to further enhance the finished costume.

For 501st membership only the requirements in black need to be met.

This Visual Guide has been reviewed by the detachment staff and the LMO team and is certified for use as a minimum approval guideline for GMLs. GMLs are free to approve this costume type.

- Any uncertainties or questionable aspects of the submitted costume should be brought to the appropriate DL/GML peer review section of the legion forum.
