Required Costume Components

The following costume components are present and appear as described below.

Bald Head
For 501st approval:

- The costumer's hair is shaved or covered with a tight-fitting bald cap.
- If a bald cap is used, the cap is tinted to match the color of the costumer's face, and the edges are blended to make them as inconspicuous as possible.

Makeup
For 501st approval:

- The costumer's head and neck are very pale, with a grayish or white tone. Black triangular "tattoo" designs are located over and in front of the ears.
- There are four triangles pointing downward over the ears, and two triangles pointing forward in front of the ears.
- The lipstick is dark gray or black.

Shirt
For 501st approval:

- The form-fitting shirt is dark gray and has long sleeves.
- The collar is worn high and tight against the neck.
- There are two parallel lines on the collar which may be pieced or topstitched.

Body Armor
For 501st approval:

- The torso armor is made of a sturdy fabric, leather, or leatherette material that may be black or gray in color.
- It is wide at the upper torso, and narrows until it reaches the belt.
- The armor is divided into quilted horizontal sections up the full length.
- The neckline is square, and the horizontal sections continue up the shoulder straps.
- The armor may stop at the back of the shoulders, leaving the back of the shirt uncovered, or there may be a matching armor section covering the costumer's back.

Gloves

For 501st approval:

- The dark gray or black gloves reach to the elbows.
- They may be detailed with three wide bands of black or dark gray leather or fabric.

Belts

For 501st approval:

- Two black leather belts are draped to create an X pattern in the front and back.
- Alternatively, a single black leather belt may be worn.
- Attachment points for lightsabers may be included on the back sides of the belt(s).
- The belts are detailed with small greeblies, pouches, or Jedi-style food capsules.

Skirt

For 501st approval:

- The wide, flowing skirt is approximately ankle length.
- The skirt is dark gray-brown, and it may be solid in color, or it may have a stripe pattern at the base, using a narrow black stripe over a wider light gray-brown section.
- The skirt is designed in two sections. The back section covers the back and sides. The front section is narrow and does not overlap the back.
- The front of the skirt may open over the front of each thigh, revealing the leggings beneath.
- A short over-skirt may be worn. This skirt is approximately 30 cm long and is made of a slightly lighter fabric than the rest of the skirt.

Leggings

For 501st approval:

- The form-fitting leggings are dark gray in color.
- A black leather or fabric strap creates an X pattern over each thigh.
- The X straps may be attached to the leggings, or may be worn separately over them.

Boots

For 501st approval:

- The boots are black or dark gray, and have low heels.
- The upper section of the boots is covered with three wide gray bands, or with a crisscross wrap of black leather or fabric.
