Sinker (Scarlet Armor)

Model **MODEL NAME**, Photo by **PHOTOGRAPHER NAME**

Description: Sinker (Scarlet Armor)

Prefix: TC

Detachment: Clone Trooper Detachment

Context: The Clone Wars, seasons 1-3

Sinker serves in the Grand Army of the Republic as a Sergeant and member of the Wolfpack. Shown here is Sinker's earlier Scarlet accented armor.

The 501st approval requirements are listed in black.

In the page below, items listed in blue are recommended features that will improve the quality of the costume. Items listed in red are intended to further enhance the finished costume.

For 501st membership only the requirements in black need to be met.

IMPORTANT: The "Animated" armor design, seen in The Clone Wars CG Series, differs from the "Realistic" armor design used to create characters from the theatrical films and graphic novels. See [this thread at clonetroopers.net](#) for the differences between the sculpts.

- **This CRL is a work in progress.**
- This costume may be approved by GMLs, but until the library entry is complete, it is suggested that this character first be submitted to the appropriate DL/GML peer review section of the legion forum.
- **If you have this costume and would like to assist with the completion of this library entry, please contact your detachment leader.**
- **Please note that the use of the word "should" below does not indicate that the armor piece is considered open to interpretation. All instances of "should be" and "should have" will be replaced with "is" and "has", as this guide is completed.**

Required Costume Components

The following costume components are present and appear as described below.

Helmet
For 501st approval:

- Phase I animated style helmet.
 - ◆ Movie style helmets are not combined with animated armor.
- Helmet is painted matte or satin white.
- Narrow fin on top of dome.
- A black Wolfpack logo starts near the top of the dome and wraps around the lower portion of the helmet fin.
 - ◆ The helmet fin remains white.
- A dark scarlet 2" band curves up and out above the lens wrapping around the back of the helmet above the indented helmet band.
- Black visor extends down through the entire frown area.
- Dark scarlet stripes run down the sides of the chin below the frown to the neck.
 - ◆ These stripes start just below the frown with a curved top.
- Raised bump at each ear, 1" - 1.25" in diameter.
- (4) Vents on each side of helmet.
 - ◆ Vents may be painted black or grey, or cut out and filled with black mesh.
- The center rear of the helmet is painted with a wide vertical scarlet rectangle.
 - ◆ This rectangle extends from the upper scarlet band to the top of the helmet collar.
- Scarlet areas are weathered with various scuff marks and fading.
- White areas are weathered with shades of grey.

Neck Seal
For 501st approval:

- Neck seal is black in color with no ribbing.
- No logos or labels are visible.
 - ◆ If the seal is not incorporated as part of the under suit, a balaclava or other similar covering is acceptable.

[For level two certification \(if applicable\):](#)

- Neck seal closes in the front via (2) small black snaps.

Under Suit
